Dear Dr. Teplitz:

On behalf of America's Community Bankers, I would like to thank you for participating as a speaker at ACB's *Spring Management Conference & Marketplace* in Marco Island. Your multiple presentations contributed greatly to the success of the conference.

We appreciate the many hours you dedicated to preparing for the conference. Your efforts have helped us deliver a high quality program and provided useful information to our attendees. Based upon the comments and feedback we have received from the delegates, the conference was a success! That, in part, is certainly due to your participation.

It was a pleasure working with you.

Kind regards,

Mike
